Our Accountability Commitment

Within 4-6 weeks, you can receive a Donor Impact Report with the names of the mothers you have sponsored, their village, household size, and number of children above and below age 5. The report will include an online map that shows the location of the training site that each mother attended, within walking distance of her home. Reports can be delivered via email, or as hard copy. Contact us for your report: donor@waterwithblessings.org or info@waterwithblessings.org.
